

THE MINISTRY OF TREVOR AND CASSIE LONG SERVING WITH THE NAVIGATORS AMONG COLLEGE STUDENTS IN ROCHESTER, MN.

2011 Year End Letter

December 2011

He Will Increase Our Faith!

Dear friends,
God is so kind! In the last 30 days we celebrated Jaden's 2nd birthday, our 8th wedding anniversary, and the birth of our daughter!

Josie Vira Long arrived on November 13, expanding our family from 3 to 4. Josie means "He will increase," and Vira is the Czech word for "faith."

"He will increase faith" is a promise we've claimed for Josie and for us as we parent her future, but it has also been an important theme of our last year. In so many ways God keeps growing our trust and dependence on Him.

Here are a few ministry highlights we'd like to share with you!

We have official Navigators student clubs registered now on the campuses of Rochester Community and Technical College and the University of Minnesota Rochester! These clubs have given us access to rooms on campus, university funding, and the opportunity to hang posters and use official university communication channels for advertisement.

We are averaging close to 50 students each week scattered across three weekly meeting times.

One of our girls prayed to receive Christ this fall, and 4 others have gotten baptized!

At least 4 of our students are studying medicine or business because they desire to gain a vocational skill that will gain them entrance to unreached or underdeveloped peoples in Africa, Asia, or India...

At least 6 students that we know of are finding fellowship, comfort, and redemption in their battles against depression, attempted suicide, cutting, etc...

17 of us attended the regional Navigators Weekender conference in October, and 27 of us are headed to Atlanta together for the Passion 2012 college conference over Christmas break. We'll join 30,000 other college students there!

A leadership core of around 10 students is beginning to emerge who are healthy, mature, and willing to help shepherd and disciple others in the group.

It is always encouraging to take a look back and reflect on God's provision and faithfulness! He has brought us a long way this year, and we are so grateful for his continuing work in and through us.

We'd like to thank you also for your encouragement, prayers, and financial support! We could not do this without you. God Bless you!

Please continue reading on the back about more specific needs that you can be part of meeting.

Quarterly \$ _____

Annually \$ _____

Gift Enclosed \$ _____

Year-End Giving!

Last year 24% of our entire 2010 budget was given during the month of December... Year-end giving is a vital component in our overall fiscal health.

Currently we are still short \$1200 per month in donor commitments. We need some of you to join our team and commit to monthly, quarterly, or annual gifts...

It will take:

12 more of you committing to \$100 per month or

16 more of you committing to \$75 per month or

24 more of you committing to \$50 per month or

48 more of you committing to \$25 per month...

One-time gifts are important as well! The one-time gifts that are being given continue to give us a buffer that helps us overcome our monthly giving deficit. Thank you so much for your prayerful consideration and participation in our lives and in the lives of students in Rochester!
