A MONTHLY PUBLICATION OF  
SOUTH ZUMBRO LUTHERAN CHURCH

January 2024

*He who was seated on the throne said, "I am making everything new!" Then he said, "Write this down, for these words are trustworthy and true." - Revelation 21:5*

New Year Greetings SZ!

Last summer, we had our rental house and a few other outbuildings painted. Though from the road they didn't look bad, they really did need a fresh coat of paint. It was one of those situations in which you don't realize how much the buildings needed the paint until after the job is complete. We were able to step back and see how necessary the job really was.

It's a new year. We have just completed our "Bible in a Year" journey. For some of you, that was the first time you've ever read the Bible all the way through. For some, perhaps, you have read through it several times. For others, maybe you didn't keep up and get through the Bible. It is never too late! Regardless, you have completed a wonderful opportunity to be in His Word every day. Now, DON'T QUIT! Keep reading His Word. Find time to make it a part of your daily bread. In this, He creates new opportunities for us and we are promised to have the foundation of God's Word to turn to always. He is the Great Painter and you are His canvas.

At times, our faith can become a bit stagnant. We know it is there. We consider ourselves a believer and do what we can to attend church and be a part of the Body of Christ.

However, as John writes in Revelation, God is "making everything new". That includes YOU! Perhaps from the road, you seem to have it figured out. If others glance at you, they might think that everything looks hunky dory. You could get by and things would probably be fine. However, remember that it also says in the book of Revelation 3:16 "So, because you are lukewarm—neither hot nor cold—I am about to spit you out of my mouth". It is awfully easy to be lukewarm in a lot of areas in life. Work, school, church, athletics, hobbies, etc. I can reach a point in which I am neither improving nor working at it. We are just "there". This can be dangerous. It is crucial that we actively participate and sometimes we need a "fresh paint job".

So, as you enter this new year, will you consider how you might avoid "lukewarmness"? You might consider jumping right back into the "Bible in a Year", finally join a Bible study, stretch yourself and your faith in a new way. Then, you might take a new look at your faith and think "boy, it really did need a touch up".

May you find love and encouragement as you walk with Christ,

*Pastor Pete*

Dearest South Zumbro,  
We are always taken aback by the extreme generosity you share. We want to thank you for the many cards, gifts and encouragement throughout the Advent/Christmas season. We are truly grateful for the time you put into making us feel appreciated. We certainly feel it! We love you.

*Pastor Pete and Pastor Jeff*

Thank you!!

Wow! Words can not express what a Blessing you and your crew are to me and this family! The joy on their faces was amazing to see today. The youngest, 3 years old, loves her kitchen and didn't want to stop playing with it to say goodbye. It was a BIG hit!! Glad the opportunity was there and God paved the path to make it happen. There were tears of joy all around. Please remember this family in your prayers. Thank you to your South Zumbro Congregation!

Blessings to all of you and Merry Christmas!!

*Tanya Young,*  
Dodge County's Salvation Army representative

Hello friends at South Zumbro!

We're finishing up a busy but fruitful fall semester. We heard lots of great stories from all around the region of students taking significant steps in their walk with Jesus! We're grateful for the team we lead and their faithful ministry every day on campus. I'm also recovering well from a successful lung surgery. We have a great team at Mayo and are thankful for God's generous provision. Thank You so much for your recent gift! You are a blessing to us!

Much love,  
*Trevor & Cassie*

There is a Caregiver Support Group that meets at Prairie Meadows Senior Living, 800 5th Ave NW, Kasson Mn. We meet the 2nd and 4th Wednesday of each month. The meeting on the 2nd Wednesday is 2 pm-3:30 pm. The meeting on the 4th Wednesday is 6:30 pm-8 pm. This is open to any caregivers in Dodge County caring for someone with a disease or illness of any kind. Whether you are caring for someone in your home, long distance, or even if your loved one is in a care facility, you are welcome to attend. It's a time to share thoughts, ideas, coping skills, and lend support for each other. The group is confidential in order to protect each other's privacy. Connecting with others who are caregiving can be very helpful and encouraging. You will find you are not alone.

## New Year Spiritual Disciplines

Is there a person in your life that you have so admired that you have tried to copy their lifestyle? I don't mean copy them like a little child automatically copies their disobedient older brother or sister! Is there someone whose lifestyle choices we have tried to copy because they are successful? Is there a change in your own life that you would choose to make because of their influence on your life?

After an extended time of prayer in the wilderness and attentiveness to the Holy Spirit (Matthew 4:1-11), Jesus chose quite the variety of His disciples to follow and learn from Him. Fishermen, business owners, a rich tax collector for the Roman government, a revolutionary political zealot, a thief. Jesus took each of them, doubters, impetuous, believers (John 1:48-49) and with repeated practice, "disciplined" them to become imitators of Him in the world.

We, too, are Jesus' disciples in our world. We are each different with our jobs, capabilities, and personalities. Twenty-five times in the Gospels it says that Jesus went alone or early to pray. This means He personally chose to take time to pray. Is this a habit that we each have developed—not only a memorized prayer before we eat, but praying for our personal and extended families and communities? To help me remember I have a dated recipe card in my Bible that lists specific family prayer requests. We can use our most recent bulletin with SZ prayer requests. Do we each have a certain time that we pray? It may mean getting up earlier. Do we put it in our daily planner? Do we create boundaries that center us on God? Do we regularly make personal confession part of our day? Can we help our families develop these habits?

Because of His Jewish heritage, Jesus' childhood was spent actively learning scriptures, studying the law, memorizing the Torah, and preparing to reach the age of accountability and

adulthood (Luke 2:41-53). At age 13 He would have been called up to recite a prayer, read the Torah, to be trusted as a witness and obligated to obey all the laws and commandments of God. We each need to invest time reading, studying, and meditating on God's Word both personally and corporately. Join us on Monday evenings. This helps to train our attention to focus on the Word of God as it is being read in church and to listen to the preaching about the Word. We study the Word of God to build discernment into our lives.

Another discipline Jesus started at the beginning of His ministry was fasting. He spent 40 days in the wilderness but also made it part of his routine (Matthew 6:16). He gave up time to prepare and eat food and instead spent significant time in prayer, study of the Word, and ministering. How can we build this discipline into our lives? Eating less can be both physically and spiritually healthy for us.

In addition to personal disciplines, Jesus also taught His disciples by example in corporate public worship. Jesus made it a regular practice to worship at the synagogue locally or the temple in Jerusalem (Luke 4:16). We choose to be part of a faith community that helps us to grow spiritually. We regularly confess our faith in the Apostles Creed and pray the Lord's Prayer at South Zumbro. Do we choose to make participating in church a regular weekly priority?

One of the spiritual disciplines that doesn't seem difficult for SZ is corporate fellowship. We love our gatherings and potlucks. Our Mission Coordinators have also helped us develop the outward discipline of service with serving Meals on Wheels, ServeDay, Operation Christmas Child. Our quilters meet regularly to create quilts for the homeless. We are so thankful that generosity has become a regularly repeated habit at South Zumbro.

We are called as the church to regularly practice both personally and communally these disciplines, to enrich our attentiveness to the Holy Spirit and cultivate the life and character of Jesus Christ in us, to strengthen our love for God and others. We strive to be consistent in these spiritual disciplines to bear fruit for God's Kingdom.

Your Faith Community Nurse,  
*Cindy Bernards*

The deductibles have changed, wind and hail damage are 1% of the covered value. Fire department service charge increased to \$2500 (currently \$1000). We are insured and required to carry up to 80% of the blanket value and that estimated value has increased due largely to inflation. Rate increase of 15%, is due to inflation and this also includes the increase in land coverage as the land transfer is complete. Off site church activities are covered, Jeff suggested we notify him before the event. The council M/S/A the coverage and premium changes as discussed and recommended by Jeff Steveson.

- Steve Jurrens -

- Provided a property update as the land transfer is completed. A Memorandum of Understanding was presented and the farmer will be able to continue to have limited access to the field across parcel B. When the playground equipment is installed, if the committee names the area, it will be generic in identity.
- Now that title to Parcel C has been transferred, all parcels will be combined into one parcel and given a new PIN.

Most New Year's resolutions are so major they seem made to be broken. Maybe that's why "micro-resolution" is the latest January buzzword. Setting smaller goals is more realistic and helps ensure follow-through, according to experts. People who try setting micro-resolutions say that approach is more positive and leads to longer-lasting change. For example, instead of attempting to lose 30 pounds this year, make a micro-resolution to walk 10 minutes twice per day and to snack on fresh fruit at least once a day.

Micro-resolutions can also be helpful in matters of faith. If aiming to read the entire Bible in one year feels overwhelming, take five minutes each morning and evening to read a brief devotional or pray. If joining your church's missions committee isn't possible, try to talk to one new person each week about your faith or church. May God bless you as you take small steps that add up to big impact this year!

Love is in the air, and what better way to celebrate than with a Valentine's Progressive Supper at our church! Instead of going from house to house, we will stay at church and have different people sign up for one of the categories. We're counting on your culinary creativity to make this event a success. We need at least three people to sign up for each of the following categories: non-alcoholic drinks, appetizers, salad, main course, and dessert. The church kitchen will be available for food preparation, so let your culinary talents shine!

Date: Saturday, February 17, 2024

Time: 4:30 pm

Location: SZLC Fellowship Hall

If you are unsure about the kitchen facilities or need assistance, please reach out to Michele or Bill Stromme for guidance.

A signup sheet will be posted on the bulletin board in the church Narthex. Feel free to team up with friends or family to tackle a category together.

Thank you for being an essential part of making this Valentine's celebration a delectable and delightful experience for everyone. Let's come together and share the love!

*Michele & Bill Stromme*

# FINANCIAL PEACE University

## Financial Peace University Mission

Nearly two-thirds of Americans are living paycheck to paycheck based on recent surveys. As a result, more Americans are using credit cards to make ends meet with a record \$1.03 Trillion in credit card debt according to Forbes.

A Financial Peace University site license has been gifted to South Zumbro so anyone may attend the class absolutely free of charge. The mission besides offering this course to South Zumbro members is to extend this gift out to friends, family and to others in our communities. You probably know somebody that could benefit from the class besides yourself.

So what is Financial Peace University? It's a life changing course centered around budgeting that teaches you how to handle money God's way. Class lessons include how to pay off debt, wise spending, the role of insurance, investing and real estate.

Class will meet in-person at South Zumbro for 9 weeks on Sunday evenings at 6:30 PM starting on January 14. Utilize this link: <https://www.fpu.com/FF5E80> or use the QR code below to register for class. Please share this link and feel free to post this information on your social media accounts.

After registering for the class, an email with the link to the FREE Ramsey+ membership and the required class materials will be sent to the email address provided. If you need help signing up or have additional questions, please reach out to Michael Short, FPU Coordinator via email, text or phone.

Open our eyes to be aware of everyday encounters in which we can minister Your love and Your power to those in need. In Jesus’ name we pray. Amen.”

## Day Three: For Our International Partners

“Thank You, Lord, that You have bound us together with these sister churches and leaders and partner networks. We pray that You will give them protection and provision. We pray that You will show us how we can come alongside them, encourage them, and serve with them. Lord, grant our brothers and sisters Your favor in their cities, communities, and countries. We pray this in Jesus’ name. Amen.”

Join Kara Short for a fun evening of food, fun, and fellowship at SZ! Kara is a fitness and nutrition coach (and SZ member) who teaches cooking classes in the Rochester community as part of her business.

There will be a sign up to be either a "cook" (10 spots), or a "diner" (10 spots). Regardless, we all get to sample the healthy comfort food recipes that will be made! Cooks will work together in pairs at cooking stations. We'll make an appetizer, salad, soup, main dish, and dessert. There will also be a warm "comforting" beverage served. Everyone will go home with the recipes.

Sign up will be first-come, first serve.

#### THANK YOU, THANK YOU, THANK YOU!

Our first annual Adopt a Family was a HUGE success, and South Zumbro will participate again next year, so watch for information in November's newsletter! I, Lu Clifford, was a bit taken aback by some of the items on the list for our family. I know they are required to put down 10 things they want. Tanya, the Dodge County Salvation Army representative, asks questions if they don't have 10 items listed, so to me, it appeared a bit greedy...maybe it did to some of you as well? It helped me understand the lists better, hope it helps you as well. In true SZ fashion only 2 items were not purchased for this Mom and her 3 children - THANK YOU! Tanya was a bit overwhelmed that the gifts kept coming in the door! Our Luther League also adopted the Mom's disabled sister and her 2 children! On December 10, Paula and Tom Ricke, Liza and Wayne Larsen, along with 7 Luther Leaguers, Bob and Lu Clifford, delivered ALL of the gifts for both sisters and children to the Grandma's house. The children were sooo happy and excited! The Grandma and the one Mom who was there were overcome with the generosity shown to them. They asked God to Bless us before WE had a chance to say it! We wished the entire congregation could have seen the joy on their faces! Please read the thank you note Tanya sent to us in the Thank you note section of the newsletter. There were happy tears. The LL kids had opportunities to share what they saw and learned from this experience afterwards. It was truly a Blessing for ALL involved. Please remember these families in your prayers throughout the year, they sure need it.

A New Year in Missions! We are getting closer to selecting a mission organization to work with for an adult mission trip THIS COMING YEAR. Please reach out to Lu Clifford if you'd like to be involved in the planning of this event. There are a lot of things to consider, and the more experience and thoughts involved, the better the overall experience will be. We are looking at dates in the fall, September/October of 2024.

If anyone wants to join Lu on the Mission outreach of South Zumbro, please send her an email or text thank you so much!
